For the Week Beginning June 24, 2018

## CALL COMMITTEE UPDATE

Over the last several weeks the Call Committee has been preparing to interview pastoral candidates. We have now held a first interview with two candidates supplied to us by the Metropolitan Chicago Synod. We have scheduled second interviews for each of the candidates; the interviews will take place in the next two weeks. We are excited and hopeful as we explore these future pastoral leaders for Christ Lutheran Church. Please keep the Call Committee in your prayers.

At the June 18th Council meeting, the Church Council discussed topics shared in discussion at the Common Life Table, **one of which was how to make our church building and events more accessible to everyone attending.** The facilities quadrant chairs, Jim Woodruff and Jane McDonald, as well as a repre-

sentative from the Worship Team, will participate in a new task force to determine how CLC can improve our worship, fellowship, and meeting spaces to be more accessible and inclusive of members and visitors with physical, mobility, or other limitations. We are seeking others from the congregation interested in participating on this team. Please contact the church office, use your Connection Card, or speak to a Council member if you are interested in joining the team! If you are not able to serve on this team but have ideas or feedback to share, watch for opportunities to provide your ideas to the team in the coming months. Thank you, again, for bringing your feedback, ideas, and concerns to the Table! Please keep them coming!

Dear People of Christ Lutheran,

It is with regret and yet with support and encouragement that we received the resignation of Bob Brija. He will be leaving CLC's Building and Grounds Supervisor role June 30.

We are truly grateful for the many ways Bob has stepped in with us to not only maintain but also improve our facilities and grounds over the last nearly two years. He brought many skills, a sincere motivation, can-do attitude and was always ready to help. Bob is facing many life transitions right now and is looking ahead to the next chapter of his life. Bob will be missed, and with our prayers we wish him well!

*Pastor Dale*

have or will be emptied out into adjoining rooms and also the office hallway. Please use caution if you find it necessary to be up in this area during Sunday Services, and parents, please watch your children carefully. The church office will be open during the project., but we ask that if you do not need to be here in the building during the week, it is probably best to avoid it. We hope to have most things back in place by the time we worship together on Sunday, July 1st.
