For the Week Beginning August 12, 2018

KIDS
say the
DARNDDEST
things

Recently our youngest members were invited to the Common Life Table to share their ideas about life at Christ Lutheran Church. Following is feedback from the Common Life Team that they wanted everyone to have a chance to read...

Thank you to all who have made time to join in discussion at the Common Life Table during the Fellowship Hour this summer. The CLC Council, staff, and committees truly appreciate and need your feedback to ensure that our life together at CLC is enriching to all of our members and to our community!

We recently heard from our youngest members what they enjoy most about coming to CLC and what they would like us to improve for them to enjoy their time at church even more. The children shared many exciting ideas including a kids' bulletin with drawings, jokes, a kid-specific prayer list, and other material made by kids and for kids. Several kids asked for some special Question and Answer time with the Pastor after church services to ask questions about the readings, message, or other topics they want to know more about.

The kids asked for their very own suggestion box for them to submit ideas for activities to be offered in the Fellowship Hall during after-service Fellowship time. They showed great interest in participating in worship services, musical offerings, church projects, and holiday decorating - stating loud and clear "Give us a job! We want to help and be involved!"

The children engaged actively in discussion about their ideas and showed consideration, encouragement, and attentive listening to one another at the table. It was an inspiring opportunity to see the excitement and hear the interests our youngest members had to share. We look forward to implementing their ideas and hearing more ideas as they come. Bring them to the table - all are welcome!

Thank
you

Dear People of CLC,
I would like to thank you for the kind words in the cards that you all signed for me, as well as the generous donation in my time of stress. Thank you also to the quilting ministry; the quilt looks great on my bed! Hope to see you soon.
